WORKING MODEL, LEAVE & TRIPS HOME

You are coming from abroad and wondering how routes, leave and trips home fit together? Here it is – no small print.

YOUR RHYTHM

System 2/2

Two weeks on the road, two weeks at home.

You want a different model or a different split? Talk to us – we will work it out.

System 3/1

Three weeks on the road, one week at home.

€ 200

ALLOWANCE FOR YOUR TRIP HOME

For every trip home we pay a € 200 allowance – during regular leave as well.

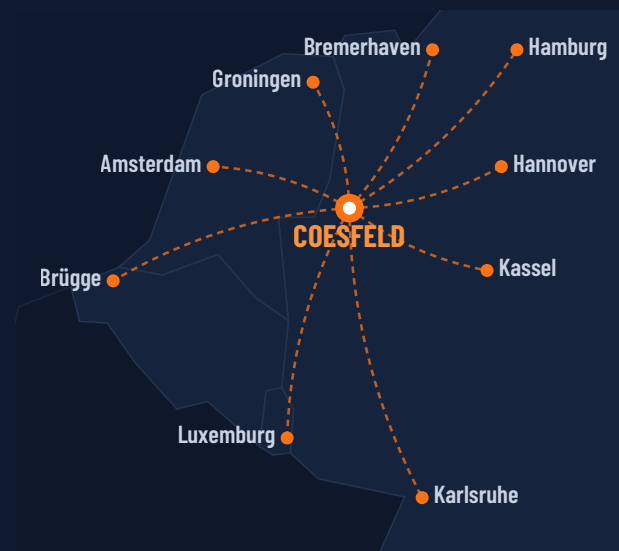

LEAVE & TRIPS HOME IN PLAIN WORDS

1. Regular paid leave, as a rule 4 weeks per year.
2. During paid leave your normal wage continues. Meal allowance, night supplements and loading bonus do not apply in that time – you are not driving a route.
3. For the trip home we pay a € 200 allowance – during regular leave as well.
4. If your leave is used up and you still want to go home: that works. That time is then unpaid.
5. We pay the € 200 trip-home allowance in that case too.

OUR NETWORK

Coesfeld is our hub. From here we run line haul to the most important regions in Germany and Benelux – and back again.

Regular lines to Hamburg, Bremerhaven, Hannover, Kassel, Karlsruhe, Luxembourg, Bruges, Amsterdam and Groningen.
